

This technical drawing illustrates the front and side profiles of a Beauty Garage Hyper Estate Wagon (Ball付). The front view (top half) shows a circular base with a diameter of Φ260 mm, an inner circle of Φ240 mm, and a radius of R445 mm. A height dimension of (350) is indicated for the side panel. The side view (bottom half) provides a detailed look at the storage unit's structure, featuring multiple shelves (棚), drawers (引き出し), and a wire rack (ワイヤーラック). Key dimensions include a total width of 400 mm, a maximum depth of (245Max), and various height measurements like 1000 mm, 890 mm, 630 mm, 370 mm, 180 mm, and 120 mm. Labels in Japanese identify parts such as '落下降止柵(高)' (High Fall Prevention Panel), '落下降止柵(低)' (Low Fall Prevention Panel), 'ボール取り外し可' (Ball removable), '棚(固定)' (Fixed Shelf), '棚(引き出し)' (Drawers), and 'ストッパー' (Stopper). A note at the bottom states: '※本図面寸法は、製品により多少の誤差があります。' (Dimensions in this drawing may vary slightly from the actual product).
